

General Guideline on Political Issues

Diversity Thunder Bay works towards a diverse, inclusive, equitable community free of racism and discrimination of any kind.

In line with our mission, Diversity Thunder Bay would like to see our political leaders, at all governmental levels, when devising policies and conducting themselves here and abroad, and in dealing with official representatives and citizens from different countries, to closely abide by the following:

Canadian Charter of Rights and Freedoms

Internationally recognized standards, international treaties, and obligations that Canada is signatory to

The Charter of the United Nations

The United Nations Resolutions

United Nations Declaration on the Rights of Indigenous Peoples

The Geneva Conventions and international law

Furthermore, we would like to see our leaders working closely with the UN, internationally recognized humanitarian organizations on peacekeeping and peace building missions throughout the globe and continue to contribute to the creation of a just and equitable world.
